Under Govt order No. H 4795-6 & 7213-10 dt 13/3/1911, there was to be a net Saving of Rs 123 per mensem in the Cost of establishment for the State Huzur Treasury. But under the revised proposition Statement submitted for Sanction the Saving would only amount to Rs 119¼ per mensem.

2 The Comptroller proposes to place Mr Shamanna in charge of the State Huzur Treasury in addition to the charge of some sections of his Office "as soon as the present Treasury Officer Mr N. Krishna Sami Rao is ordered by Govt to be relieved." He further suggests that one assistant Com^r (permanent or probationary) may be attached to his Office for about a year to qualify himself by passing Departmental tests & then retransferred for work in the Districts.

13 The distribution of work in an Acct Office is explained in Art 1640 et seq of Civil Accts Code Vol II 5th Edn.

14 If I were in any way helpful in disposal of this Case, I may say that when I was undergoing training in the Accountant Generals Office the following was the distribution of work.

Accountant General - Mr Dobbie. Book Complaints, Budget & Reserve

Dy Acctt General - Mr Dewar - Treasury Account Departmental

Sr Astt Acctt General Mr Workman - Inspection Local Fund Accts & Local Fund Transfers.

2d Chief Supdt - Treasury Establishment & Accounts

was fine. The Comptroller's request for 6 moneymen that he requires fine for the Civil branch i.e. a Scale as large as that for Madras. In Madras it may also be stated that the Treasury Accts Dept includes Deposits and Travelling Allowance Bills in Burma these have been separated and the Treasury Accts Dept is therefore not the same as in Madras. Per Contra it has to be stated that in Madras the Treasury accts are received classified and the Travelling Allowance bills post audited. In Burma, Military, Rev Survey, Palace and General Sundry accts & Burma, City Inspt Accts have also to be audited & the Civil Comptroller's Staff while the Comptroller himself is ex Officio Financial Secretary and has to attend to Secrett work also and the Treasury accts are not received classified.

16 Taking all these Circumstances into Consideration it seems necessary that the Comptroller should be given 6 Asstts inclusive of the P.W. branch but it is for Consideration whether instead of attaching 6 Asstts 2 Clerks or the Comptroller should be partially filled up by men of approved merit in the lower ranks as Treasury Asstts. Such a measure would while opening a reward for good and honest work in subordinate Capacities also cost quite as much as a proper Asstt & as the Treasury would naturally be clerks and perhaps Stopat 350 or 360

Whether the Asst as Examiner now pays to 200Rs and if the grade of Chief Supts on 200-25-350 is created it will be a prize appt for them while the Cadre of the Asst pts may also be reduced by this number. This is therefore subd for Consideration

2) For reasons stated by the Comptr one or more Asst pts may also be attached for training so that they may be trained & ~~placed~~ be fit to supply vacancies in the ~~list of pos~~ of Asst pts when necessary.

(Pulsey) 30.7.11

3) The above suggestions seem worthy of Consideration.

4) The Comptroller's Asst. may be fixed at 6, two or at any rate one of them being of the grade of Chief Supts, whose pay may be fixed at 200 - 50/3 - 350 or 200 - 15/7 - 350. An increment of 25Rs per annum is faster than the ~~promotion~~ of rate fixed for Asst Comrs.

5) Arrangement may be made to train one Asst Comm^r as probationer in accts once in 2 years & so.

To

SIR,

I have the honor to report for the information of Government that the redistribution of work hitherto done by the State Huzur Treasury between that Treasury, the Bangalore District Treasury, and my office as sanctioned by Government in their order No. Fl.4795-6/G.F.23-10 dated 13th March 1911 was brought into effect from 24th April 1911, and that the new arrangements are now in fair working order.

2 In the course of working out the details of redistribution of work and establishment between the several offices one or two small variations from the distribution of the establishment as shown in the Proposition Statement sanctioned by Government had to be made in consequence of the slight modifications made by Government in my original scheme. (Vide para 2 of Government Order dated 13th March 1911.)

3 The payment of Pallegar pensions having had to continue to be made in the Huzur Treasury the Pallegar Clerk has been retained there, as well as an accountant to look after the accounts relating to the Bangalore Branch of the Madras Bank. An alteration in

Subject matter.

Reporting for the infor-
-mation of Govt that
there is no variation of work
hitherto done by the S. H. Rly
between Birur Jn. Bangalore
Cantt- Krishnarajapuram & Tiruvannamalai.

the staff detached from the Huzur Treasury to the Bangalore District Treasury was also made by sending in lieu of the accountant on Rs.30/- the hand on 30-1-35 proposed to be retained in my office as supernumerary pending absorption on the occurrence of a suitable vacancy, and by sending a gollar on Rs.7/- instead of one on Rs.8/-. I beg that the enclosed revised proposition statement showing the above slight changes in the sanctioned scale and resulting in a saving of 119½ as against Rs.123/- sanctioned in Government Order dated 13th March 1911 may now be formally approved by Government.

4

The readjustment of the Huzur Treasury Work having now been completed, I beg to report with reference to para 4 of Government Order No.2324-9/G.F.213-08 dated 10th November 1910 that the separate appointment of the Huzur Treasury Office may be abolished, and the scale of this office including the Public Works Branch may be finally fixed at 6 Gazetted Assistants for all work including the Huzur Treasury.

5

I propose to place Mr. Shamanna, who is now fully qualified by passing the 2 Departmental Tests in charge of the Huzur Treasury in addition to the charge of some Sections of my office as soon as the present Treasury Officer Mr. N. Krishnasami Rao is ordered by Government to be relieved.

6

In this connection I beg to suggest for the kind consideration of Government that it is highly desirable to have one or two young Assistant Commissioners fully trained in my office as a sort of reserve available for transfer to this office on occasions of emergencies due to the granting of leave to my Assistants or other causes. Such an arrangement will also admit of such of my Assistants, as are qualified by passing the prescribed Revenue and other Local Service Examinations and show sufficient aptitude, being posted for district work for some years.

7

I would therefore propose that at the early convenience of Government one Assistant Commissioner (permanent

or

or probationery) who has undergone the prescribed course of training in the other Departments, be attached to my office for about a year to qualify himself by passing the necessary Departmental Tests as Mr. Shamanna has done and that after this period he may be retransferred for work in the Districts.

Government will be pleased to see from Mr. Shamanna's case that costly deputations to Madras extending over months are not necessary for giving an accounts training to our men under the present circumstances, Mr. Shamanna having passed both the examinations with a few weeks' deputation only for the lower examination. The training of the officer in question will therefore be effected without any appreciable extra cost to Government.

A training in the Account Department as is above indicated will, I believe, be of much use to the Officers in their district work, especially in regard to the administration of Local and Municipal Finances, and it will at the same time afford facility to Government in selecting suitable officers for vacancies in this Department.

I may assure Government that, if my suggestion is accepted, the officer sent for training will be made to utilise his time to the best interests of himself and of the State.

I have the honor to be,

Sir,

Your most obedient servant,

J Chakravarti

Comptroller.
